Also remove any and all references to addresses and/or locations concerning Pink Voyd. There is also the matter of my original artwork (excluding the "Faceless Salesman in the Desert"). If you are going to continue to use my original artwork, you must credit them as follows: "Graphics by John Pitingolo, Pink Voyd" with a link to . If you do not oblige to this or object to these terms then immediately remove my artwork from this website. If you have any questions do NOT contact me or any other Pink Voyd personnel, We suggest you contact our Attorney, You have his contact info.</p> <p>John Pitingolo            Pink Voyd</p> <hr/> <p>Arthur Orfanos:            To: John Pitingolo, Thank you for posting an entry on to the guestbook finally under your real name and not with an alias. The information you requested will be submitted to our web administration. However, they prefer this be submitted as a formal request to me via email so that I may forward it to them with appropriate instructions. Please be advised that this process may take up to 30 (Thirty) days. email: Themood2@aol.com. Thank you again for taking an interest in Pink Voyd(TM).</p> <p>btw- Details of your post have sparked my personal interests:</p> <ol style="list-style-type: none"> <li>1. Are you suggesting that the "Faceless salesman in the desert" is the ONLY image of your "artwork" that IS NOT original? And: Have you taken necessary steps to receive permission for usage of that image, or paid any licensing fee(s)?</li> <li>2. Do YOU make the appropriate attempts to publicly credit ALL resources of images used on your posters &amp; "artwork" that you didn't create yourself?</li> <li>3. Have you notified the proper sources of licensing for permission &amp; usage to images you're using which may already be syndicated or copyrighted? (i.e., Images of Syd Barrett, usage of his name, Pink Floyd album covers, album art, photos, etc.)</li> <li>4. What percentage of your "original artwork" (do you think) may include images you've either electronically duplicated, or didn't create yourself? As far as contacting your legal counsel is concerned, that's a given. My attorney is taking care of that immediately, and following that, no further personal contact of yourself (or your fellow group members) will be permitted.</li> </ol> <p>Thank you and have a most pleasant day.</p>

Once again the healthcare fiasco in this country has failed us. This poor soul (mike "Hunt" )has been left to wander the streets without proper psychiatric evaluation and care.It's a sad state of affairs. We can only hope and pray he or she receives help soon. On a brighter note, rock or Mood!!!Love the site, keep the faith.....Does anybody else in here feel the way I do?????.....

I've followed The Mood around from its conception, and i think its pretty small of people to make such disgusting comments and to even mention peoples names that have passed on and cannot comment themselves; or to make such horrendous accusations. A negative comment everyone may have but such malicious conduct is so inhumane. I like The Mood. To each his own.....

Poor Richard Pontes,  
Was he face-up or face-down in the water when they found him in the Charles River? Do you still see his ghost? And speaking of ghosts, Do you still have "supernatural visions" or are they "under control".  
Sweet Dreams Fat-Fuck

Website Administration:  
Dear Mr. "Hunt",

This page is a "guestbook". It's intended for visitors of the website to post a greeting and/or an opinion, EVEN IF [that opinion] is not an "appreciable concurrence" with the business & musical activities of THE MOOD.

Using an anonymous forum submission as a vehicle for sub-cultured ranting is one thing, and to a certain degree, will not be tolerated. Beyond that; your poor decision to make false, public accusations of murder does qualify as a criminal activity. The Owner of this site will be notified & likely will take appropriate lawful action(s).

If [this notice] is subsequently removed by the Proprietary Business & Website Owner, that is their choice. Until that time, your I.P.'s will be recorded, traced, and blocked. Further CRIMINAL and/or childish activity will be submitted (as a recorded document) to the Owner, then deleted. With that said sir; please take your problems and your business elsewhere.

Thank You,  
Website Administration
